# Brighton and Hove Frontline Network

The **Frontline Network** - support workers from public, statutory and voluntary sectors working on the frontline with those experiencing homelessness.

We work across the whole of the UK, and on a more local level with partner organisations. Our work aims to support frontline staff, amplify their voices and highlight best practice in the sector.

# What we do

Alongside partner organisations across the four nations, we:

- Provide training funding to staff
- Put on network and training events for staff to come together
- Share regular news and views locally and nationally
- Explore solutions together
- Aim to strengthen links between frontline workers and decision-makers

# Networking activity

In small groups on your tables,

1. Introduce yourself and your role briefly (are you a worker, manager, volunteer), 1 thing you like about your job.
2. Use the conversation cards to facilitate chat on your table

After 10 minutes 3 people move to, 1 person stays

# Thank you

We would love to continue and open up more conversations with local workers, if this is something you're interested in, please contact:
